Congratulations on completing  
Module 6 - Overcome Overwhelm &  
Reignite your Role

Now we've reached the end of this module, it's time to gather our insights and reflections so we can decide on some simple, practical changes to implement immediately.

## Insights and Reflections

When I consider my learnings in this module, what are my key insights and reflections about:

- Me and my leadership approach
- The way I show up with my leadership energy
- Where I am effective and not so effective in my leadership style

My key insights and reflections are:

Consistent, immediate application beats perfection every time.

## Decisions

It's time to decide. With your new, improved awareness of your leadership approach, you have a choice to make right here and now:

- Do you decide to imperfectly practice your leadership intentions and embed your learning; or
- Do you wait, hesitate, avoid discomfort and potentially lose some value from your leadership learning experience?

The choice is yours. How you show up for yourself and your team right now counts.

The decisions I can make right now to implement my leadership learning are:

DECISIONS I CAN MAKE	I WILL IMPLEMENT THIS BY

IF YOU'RE A LEADER  
WANTING BETTER  
ENGAGEMENT AND  
PERFORMANCE FROM  
YOUR PEOPLE, THE  
ONLY SUSTAINABLE  
WAY TO ACHIEVE THIS  
IS TO WORK ON YOUR
